January 1, 2012 Celebration at Berlin Mandir

SATYANARAYAN PUJA/KATHA, 2:00 TO 5:00 P.M.

ITA has planned this as an annual event to be celebrated every year, beginning in the year 2012. It is the most auspicious way of beginning a new year that can fill our hearts and minds with positive energy. Participation is open to all including families with children. Donations of \$51.00 or more will be appreciated. Prasad will be served at the conclusion of PUJA/KATHA. Those who are interested to participate are requested to contact Binduben at 856-768-6785 or Ghanshyambhai Dave at 856-506-7531.

Satyanarayana Pooja is the best way to seek blessings of Lord Vishnu. It is performed before and/or after the fulfillment of one's desires. It is also performed every year, to maintain the general happiness, prosperity and well being of the family. Satya Narayana is the form of Lord Vishnu. The Lord in this form is considered an embodiment of truth (Satya). Satyanarayana is worshipped at home with family and friends by reciting the miraculous story of Lord Satyanarayana.

Special thanks to Chandan Modi and his students for a superlative performance prior to our general body meeting on December 11. The entire show was mesmerizing and transported the audience to a higher plane.

Senior Citizen's Program Thursday January 12, 6:30 pm to 9:15 pm

The Senior Citizens' Group has elected a new Executive Council for a two-year term - 2012 and 2013. Its members, in alphabetical order, are: Ranjit Banerjee, Laxmi Chowdhury, Chandravadan Desai, Usha Gupta, Govind Modi, Hiro Pahlajani, Sushila D. Patel, Kshama Raghuveer, Narsinh Sangani, and Suraj Bhan Singh. During 2011, we organized nine cultural programs, ten health-related talks, and our members, individually, presented several topics for information and entertainment. We also added over four dozen life members. We thank all those who joined and supported the organization, volunteered during our gatherings, and generously sponsored dinners for the seniors. There will be a general meeting on January 12 when the new Executive Council will be introduced, and suggestions from the members for 2012 activities will be solicited. We need to work for the general welfare and well being of seniors. Let us all serve as volunteers to do our part to the best of our abilities. All Hindu seniors - age 50 and up - are invited to join, support, and celebrate with us.

ITA Bal-Vihar Program

Dear Children and Parents, Happy New Year!

On behalf of the entire team of Bal Vihar volunteers and teachers I am happy to see that Bal Vihar truly has grown and becoming strong. I am grateful to the entire team of Bal Vihar teachers and volunteers and many who preceded us have contributed to what Bal Vihar is today. For last two years we had to close the registration. Besides some disappointed parents, I, for sure am not happy regarding the closing of registration. This summer we will have to restructure and find new volunteers to accommodate all the children from our community. Please, if you can spare some time and be committed to a few Sundays of a year we may accomplish this goal. Join us it's a rewarding experience!

I notice that the children who grew up in this challenging diverse society naturally have adopted to American way of life. They may have given up Indian language, music, literature, bollywood dance and drama, and many times even Indian food but one thing I have noticed that most of the children have kept their Hindu identity, ways of worshiping or knowing the God! Now, I am happy to know that many are bringing their children to Bal Vihar. Jai Ho!

I would like to thank the Lunch Food sponsors for giving a great feast to children on Dec. 11th 2011. Lunch sponsors were Jalpa & Dinesh Depani, Ami & Pradip Patel, Kinnari & Lalit Patel, Rama & Sudhir Patel, Prakruti & Rajan Patel

Thank You.
Lata Pimplaskar

ITA YOUTH

The December 11th session of the Youth program was our first in one month, as there was no youth session on November 27th because of Thanksgiving. As always, the session started with prayers led by Sharad Uncle, and then entered into the yoga class taught by Harish Uncle. Then, the youth went into the social hall for a nice chanting session, and this was the first time that we were accompanied by music. Sharad Uncle played his harmonium while everyone else chanted along to it; it was a very enjoyable experience. Afterwards, Sharad Uncle taught us a lesson on Ishvara and on the Bhagvad-Gita, from which we are beginning to recite verses from. Thank you to Harish Uncle and Sharad Uncle for teaching us. This week, our activity was to have a group discussion on what activities we would like to participate in for the rest of the regular sessions, as well as come up with ideas for our joint-annual day program with Bal-Vihar. Sona and Roshan were asked to lead the discussion, and our group came up with many wonderful ideas and games that we plan to implement later in the year, such as having a nice Holi celebration. In all, it was a very productive dialogue involving everyone in class. Finally, after Aarti, we had a delicious lunch comprising of pizza, soda, and ice cream. Thanks to our lunch sponsors Jalpa and Rajesh Lotia for providing us with such a nice lunch.

2011 – Year In-Review President, ITA

I am Rina Patel and it has been my pleasure to serve our temple as president. It is my honor and special privilege to update you on our accomplishments during 2011, and – I'm pleased to report that our accomplishments and achievements have been many and varied.

First, I think we all owe a great vote of thanks and well done to the past administration. Last year, Divyakantbhai, the Past President of the Association, delineated the Association's Accomplishments in 2010. The 2011 Board was able to make a great deal of progress because we stood on the shoulders of the boards that came before us.

Our board has dedicated itself to provide meaningful programs that cater to all segments of our members -- young and old. In February ITA had its first Satyanarayan puja. We were overwhelmed with the huge response and recognizing the need we plan to hold Satyanarayan puja on January first of each year, starting this coming January, 2012.

In March, the eyes of the whole world were on Japan in the wake of the earthquake and tsunami that had devastated much of the island nation. Virtually every spiritual group from small-town local churches to major religious organizations answered the call. ITA was one of the many religious groups that responded to the call. With the help of ITA Seva Samiti's Natural Disasters Committee, ITA raised and disbursed over \$11,000.00 to the relief effort. Seva Samiti, along with the ITA Board, appreciates the effort of all volunteers and donors for providing donations for this worthy cause.

In April, Bal Vihar celebration of its Annual Day was a resounding success. Our temple has made steady progress with growth in all areas but Bal-Vihar is our shining star. Over the past five years, the program has grown from 40 to over 200 children, and with a waiting list this year. It is exciting to see such growth because it is vitally important to perpetuate our cultural heritage throughout the coming generations. As a result, we are focusing on creating more programs for families with children. I am excited that more and more of you are supporting your children by donating to ITA sponsored activities.

In May, I came back to you to ask you to dig deeper into your pockets to help others in need. This time, it was to help our American neighbors who were ravaged by spring Tornadoes that ripped through the heart of Missouri and Illinois. Your response made me incredibly proud to be an Indian-American and especially to be among such generous and caring people in the India Temple Association.

June, being the graduation month, ITA celebrated our graduates with a Youth Program Annual Day. You cannot but beam with pride as you watch these bright and eager faces of our young graduates, and reflect on their progress. The quality of the care and nurturing that Temple families provide our young is joy to behold. ITA also hosted its very first Graduation Yagna! The ITA Scholarship Committee awarded five scholarships to high school seniors. The scholarships were awarded based on grades, activities, and each candidate's knowledge of our Hindu principles and values. ITA has every reason to be proud of our youth. We are especially proud that our kids are fitting in with the children of their host nation, yet retaining many of their Indian and Hindu traditions. There is no better place for each of us to retain the character and structure of our Indian ancestry than to join with our fellow Indian-Americans in ITA. I am particularly proud of the critical role ITA plays in propagating our culture and heritage to our progeny.

In July, ITA hosted the very first Bal Vihar Network Conference- a lot of credit goes to Shri Dahyabhai. The Conference was convened to organize, unite and share information among all Bal Vihars across the country and unite them into a mutually supporting network. The conference was organized, planned and moderated by American born young Hindus, most of whom had known Shri Dahyabhai for many years.

In August, we celebrated Janmastmi. The mood was jubilant! The Temple was beautifully decorated. Our priests, Shri Shuklaji and Smt. Ila and Shri Mahesh Dixit, chanted Purushsuktam. The celebrations went on until midnight --transporting Berlin, New Jersey into Gokula!

In September, we celebrated pran-pratishta of our temple. The priests and participants performed special pujas of deities suitable for the occasion. The celebration included Shobha-Yatra, Havan-Yagna, devotional bhajans and Maha-Prasad. ITA is looking forward to continuing this tradition every year.

In October, we celebrated Diwali and Navratri – with the participation from the youngest members of Bal Vihar to the most senior members of our temple. Both celebrations are attended annually by hundreds of our members, and each year we strive to make it better.

November's highlight was Tulsi viyah. Participants had a great deal of fun singing wedding songs and a few lucky ones had their chance to whisper their personal advice in Tulsima's ears. Those who could not make the Tulsi viyah this year will have to patiently wait until November 24, 2012.

These are some of the highlights of our year. While our temple is truly designed to allow us, who are of Indian descent in this area of south Jersey, to further our own historic Hindu religion and culture in the US, we are also obligated – in our own best interests -- to be good and participating citizens of our adopted nation. Our traditional greeting of "Namaste" recognizes the fundamental Hindu value of divinity among all humanity and respectfully treating others as we would like to be treated.

In that spirit our temple has:

- Participated this year in Evesham Township July 4th parade,
- Raised money for our tornado-struck friends in the South,
- Come to the relief of the people in the aftermath of a horrendous Tsunami.
- ITA-Seva Samiti, Bal Vihar and Youth held a 911 Commemoration Program,
- ITA continues to coordinate the food drive which helps the poor and needy during holiday season,
- ITA Seva Samiti and Bal Vihar joined hands with Yellow Ribbon Club to send Care Packages to our soldiers those are on duty away from home.

Speaking for the Board we are very proud of our Temple's participation in and support of American causes and we hope to do more in the future.

These are the highlights of our accomplishments during the year; however, there have been many more behind-the-scene actions your board has taken on the Temple's behalf – a few of which we would like to briefly share. Here are just a few of the more important initiatives:

- ITA Website - the Board announced the completion and initiation of the ITA's new Website www.indiatemple.org. The previous board initiated the new site and we have received many compliments on both the look and operation of the site. If you have not already done so, we urge you to take advantage of this resource to stay connected to the temple. Also, keeping up with the times, we are now a wireless Internet access facility.
- During the year, Temple decided to purchase Automated External Defibrillators (AEDs). In response, Govindbhai Modi provided the Board with a superior analysis of AED options. When the board approved the purchase of the new medical equipment, Govindbhai Modi volunteered to pay for the new rescue equipment out of his own pocket, which was a most generous and unselfish act.
- In September our Temple implemented a new and modern phone system that has greatly reduced the number of "voice-mail" responses and unanswered calls. Now your call is immediately returned directly by the appropriate program coordinator.
- In addition, the board disbursed funds to provide a much-needed new roof for our temple and renovated the Priests quarters.
- After years of Binduben's voluntary service, the Board has made her an employee of the temple. So we welcome Binduben amongst us in her own rights.

Last but not least, I would like to inform you that our Board has initiated an ad-hoc committee to study alternatives for the facility that would best serve the needs of our growing community with proper consideration of ICC's needs and resources. I had the honor of appointing Kiran Desai as the chair of the committee because he is uniquely suited to guide this important study of our future accommodations.

In other exciting news, the wait is finally over. With the laying of the cornerstone, the new Indian Cultural Center begins to rise from the Southern New Jersey landscape to become what is – quite literally a "landmark event." And – as a consequence – the Indian community of Southern New Jersey is excited at the prospect of having a community center of our own.

The fund-raising for the ICC is progressing slowly but surely. As of this report, the goal for the Center is \$4 million dollars. Thus far, we have raised \$2.5 million. We are, indeed, thankful and grateful for the past contributions of our members, but – without question we need to raise– the last \$1.5 million dollars even if we have to tighten our collective belts. Of course, the Board and members of ITA have been there every step of the way and I exhort you to continue your support of this project to make this dream a reality!

In closing there are so many people to thank, I don't know where to begin. Let me just say, I am extremely grateful for the kindness and quality of the current Board of Trustees who have served our Temple with dedication and commitment. I thank the past president and the past board for their extensive contribution in 2010 that made our life much simpler. Additionally, I would also like to thank the full membership for their strong support over the past year.

Finally, I thank all the volunteers. Our volunteers have gone beyond their call of duty. Without their service and support this temple could not function. The work of the ITA can only continue with the passionate and vigorous support of our volunteers.

It has been an honor and privilege to serve you. Thank you.

Rina Patel
ITA President.
