### Spiritual Celebration

Importance of Pitri-Paksha Shradha-Tarpan - Every year, an important period of 15 days (Pitru Paksha or Shraadh) is dedicated to the ancestors and forefathers. Pitru Paksha is considered perfect for performing Tarpan rituals. It is believed that the rituals performed during Shradh produces best results for pleasing the ancestors. Shradh occurs right before the Sharada Navaratri in autumn. Like every year, Shradha is coming again in 2018 with a great significance for our ancestors and for us. Shradh marks an important time for performing the ritual of Tarpan. Hindus will perform rituals of Tarpan for their departed ancestors and forefathers this year at our mandir. We will perform Tarpan in Shradh in the way of remembering, giving thanks and honoring the ancestors for all they have given us, the present generations. It is a way of telling them that they are still an important part of our family and they still reside in our memories. Period of Shradh is also known as Pitru Paksha. Shraadh Paksha is also a time to offer our prayers for liberation of our forefathers' Atmas Date: Sept.25th to Oct.9th—according to South Jersey Panchang. Matri Navami Shradha on Thursday Oct 4th, 2018; Sarva Pitri Shadha on Tuesday Oct.9th, 2018. We are introducing two new short pujas during Shradha Paksha lasting 15-20 minutes through out the mornings between 9:30 and 11:30. No booking needed. For questions, please contact Pujari Sudhirji.

**Uddhava Gita:**

**Beautiful Conversation Between Krishna and Uddhava.**

Uddhava was Krishna's childhood friend and had done a number of services to Bhagwan Krishna. He had never asked anything from Krishna. Krishna asked him to ask for anything Uddhava wishes as a benefit or boon. Though Uddhava did not desire anything for himself, the conduct of Krishna, whom he had observed from childhood, appeared to be a riddle, with his words and deed being divergent. He wished to get an clarification from Lord Krishna.

What follows is a beautiful, heartening, enlightening and the final teachings of the Lord to His dearest devotee. These final chapters of Shri Bhagavatam is worth learning for every devotee of Lord Krishna and even the most ascetic Vedanta student who may have intellectually accomplished the study of the Vedas and yet may have missed its very glue to the human heart. As Shri Shankaracharya has said, Jnanam without Bhakti is like a wick burning in a lamp without the oil.

Class is Limited to 15 Members, only 10 more remaining.

Please register by email [latap1215@gmail.com](mailto:latap1215@gmail.com) Or Call 856-9854785

### Om Namó Bhagavaté Vasudevaya Namah

Remember, our Vedic Rishis words, "All be Happy and be Prosperous". If maximum numbers of people in a society (city, state, or country) are happy, then that society is happy and prosperous. One easy way is to chant Sri Vishnu Sahasranama and do good work. Experience has shown that an individual chanting VSN alone makes him/her calm and happy. If this chanting is done as a part of a Satsang, then one feels his/her happiness elevated to another level, and the satsang group feels very positive and happy (multiplying effect). By spreading the word, collectively we all can do Sri Vishnu Sahasranama chanting across the Globe for world harmony and peace. In this connection, on Saturday October 13, 2018 at 9:30 AM at our Mandir. We all get a chance to participate in the Same Time Satsang across different countries in the world. Thanks for your time and help, and please spread the word.
