### From me to you

Sannyasa Sukta from Maha Narayana Upanishad starts with:

'Na karmanA na prajayA dhaNena

TyAge naikE amrtatva mAnasuhu.....'

- Neither by actions, nor by (acquiring) progeny and wealth, but by renunciation alone is immortality attained.

To me, renunciation means doing actions without attachment, without expectations. As your new President, my board of trustees and I will do our best to adhere to the above principle. We will strive to do the right thing by you, and that means - for the Mandir and to the Mandir only. We also apologize in advance should we not meet or fall short of your expectations. Thanks much to the outgoing President Sangeeta Rashatwar and her board of trustees for a super job.

Our Mandir came into being due to the vision, foresight, tremendous efforts and dedication by some very sincere members of our community about thirty years ago. Thirty years hence, the members of our Mandir will be a new generation, a generation that may not see eye to eye with the founding principles of our elders. Currently we are at crossroads. To move forward in a way that is agreeable to all, we need the blessings of our elders, their support, and their active cooperation - we owe it to them for having worked so hard to see their vision come true.

Equally, we also look forward to the younger members of our community for their enthusiastic participation, their willingness to go along with the collective decisions taken, and their initiative and ability to take on the reins of the Mandir management in a way that harmonizes our community as one single unit. Let us fully apply the core principle of our religion - the Advaita school of thought:

***We Are One. Let us show the path; let us be the role models; let our board earn the pride of place in the annals of ITA.***

***Let us start now.***

On behalf of our board, Pranams, Ramesh Viswanathan

6:30 pm Tea/coffee with snacks, aartii  
7:00 pm Meeting starts  
7:30 to 8:30 Indo-American Relations presentation  
8:30 pm Meeting ends

Our speaker is Sudhir Deshmukh, one of the best minds in our own local community. This lectures dives into the history of international relations from Eisenhower to Obama on one side and Nehru to Modi on the other. Let's get an historical perspective on relationship between the two countries we love.

#### Indo-American Relations-Past, Present and Future

Sudhir Deshmukh will discuss the relations between the world's oldest democracy and the world's largest democracy in terms of their history, culture, geography, commerce and politics, i.e, will they be of strategic, tactical or of transactional nature. Since these relations are immeasurably impacted by India's immediate neighbors, particularly China and Pakistan, we will briefly explore how their relationships with the United States affect the Indo-American relations. We will also look at the increasingly influential role the Indian-Americans will play in this relationship in tomorrow's fast paced and highly interconnected technology driven world.

**Balvihar by Sriram Kiron**

OUR BAL-VIHAR SESSION OF JANUARY 11, 2015; It was our first Bal-vihar session of the new year 2015. We were all very excited. This was a regular session . The day started off with all of us chanting the prayers. Then, Ramesh uncle told us a short story about God where he mentioned that even though God is called by different names by different religions, he is one and the same. After this , the older kids went to their classes, while the younger kids stayed back and did their yoga session. The 5th to 8th grade kids have their yoga session in the second half.

After all our classes, we assembled in the prayer hall and did the Aarti. Today, it was the turn of the fifth graders to perform Aarti. Every session, we have different grade kids doing the Aarti. After Aarti, we all ran to the cafeteria to have pizza !!!

Congratulations to Ramesh Uncle for being chosen as the President of India Temple Association. And Congratulations to Malathi Aunty as she is going to lead Bal-Vihar from now onwards.

**Yuva Darshan by Rashmi Devadiga**

On January 11th, the youth had their first session in the New Year at Cherokee High School. The youth met in a separate classroom. We started class as usual with shlokas and yoga. After that, we took some time to discuss what had current events. We talked about how sixteen people were killed in the terrorist attack on a magazine company in Paris, but we mainly focused on people's reactions. We then chanted the Hanuman Chalisa. This week, we concentrated on the fear of the unknown and how reciting the Hanuman Chalisa makes us feel safe from these fears because we know that Lord Hanuman is always looking out for us. After chanting the Chalisa once again, we headed out for Aarthi with the Bal-Vihar students. Finally, we ended the session with pizza for lunch along with everyone else. Thanks again to Praveen Uncle for a great session and thanks to Bal-Vihar for having us!

## President's Message - General Body Meeting of November 23, 2014

Namaste Members,

I am Sangeeta Rashatwar, President of the Board of Trustees of your India Temple Association, our mandir. It has been an honor and pleasure to serve you this past year, and I bring to you the year in review.

We started the year with Satyanarayan puja on January 1<sup>st</sup>.

In June, we held annual Graduation Yagna, for all aged children, youth, and young adults to celebrate graduations from elementary, middle school, high school, college, post baccalaureate graduates. This tradition started by Shri Virendra Gupta, our yoga teacher, continues.

In July we had the privilege to have the 18<sup>th</sup> descendant of Jagadguru Shrimad Vallabcharya, Mahaprabhuji, the founder of Pushti Marg, HDH Yuva Vaishnavacharya Pujya Goswami 108 Shri Vraj Kumarji Mahodyashri.

Our deities decorated with new garlands, in August we celebrated Janmashtmi. This year, families with children enjoyed dahi matki and story time. We also collected upwards of \$3600 in donations from generous donors. A record crowd attended.

For the first time ever, ITA celebrated our first ever Ganesh Chaturthi a 10 day festival starting with a small procession for Ganesh Sthapana. Many families sponsored so that we had Mahaprasad for 4 days of the 10. Many families sponsored Aarati. We had a miravnuk and the last day we said goodbye with chants of to Ganpati Morya Pucha varsi laukar yaa!

October was a very busy month. This year, the number of ladies swelled to 70, adorned in finery, to celebrate Karwa Chauth for their husband's long healthy life. Navratri was celebrated with clicking and clacking of dandias. An ITA first this year, we celebrated Dashera with first ever Ravan Dahan in which 650 people participated. Our mandir was decorated for Diwali and feasting continued through the Vikarm Samvat New Year. Our sevaks made snacks and tea which was served until noon.

In November, we celebrated Tulsi Vivah. Then, there was a baraat, women, men, and children dressed in their finery, dancing, to garba and bhangra. As the procession continued to the worship hall, a marriage ceremony was performed and the women then sang the wedding songs, "geet". For all who missed it, you will have to wait for next year. These are our highlights in review.

No man is an island. This rings true for individuals and also for organizations. So we participate in the communities we live, help our citizenry here and abroad. We are all one humanity.

In May, our Mandir joined hands with the American Cancer Society in the Relay for Life - Marlton, we raised \$10,000. Our accumulative total is \$25,000. This has been led by Chetna Giyanani.

In June, BalVihar and Youth families, participated in the KITE festival hosted by the Friends of India Society. To celebrate US Independence day, ITA led the community effort to represent India in Evesham Township's July 4<sup>th</sup> parade. First time ever, there were ITA designed T-Shirts for each parade participant. All made possible by Chetna Giyanani's leadership.

Our ITA YogaAbhyas Guru, Shri Virendra Gupta Ji relinquished his responsibilities as a Yoga, meditation, and pranayama teacher of our mandir effective July 31, 2014. He has served in this role since 1983. On behalf of the ITA Board, I would like to take this opportunity to thank him for his selfless service to our community for the last 31 years.

In September we had a 3 day seminar teaching 3 step rhythmic breathing and Arjuna Vishad Yoga coordinated by our ITA Seva Samiti. Also this month, we joined with Ekal Vidyalaya for their annual walk-a-thon to eradicate illiteracy among children.

In October, we participated in Voorhees Cultural and Diversity Committee, Camden County Board of Chosen Freeholders, Camden County Human Relations Commission for the International Day. Our participation made possible with leadership of Chetna Giyanani. There were various organizations present and over 800 people in the community attended.

Throughout the year, on a monthly basis, children and Youth from Bal Vihar, Yuva Darshan, and the community make Sandwiches to feed the homeless. We have fed over 2,000 homeless people. Also, our Year round Food Drive continues. You see the boxes in the foyer. We donate to the Food Bank of South Jersey in Pennsauken. This summarizes some of our seva and involvement in the community.

Next I would like to highlight some of our accomplishments for the year.

This year we initiated worship hall beautification project and we installed ceiling tiles, and grid recessed lighting, installed LED bulbs. Still on my wish list is chandelier in the worship hall, one to match the deities chandelier .

While I have received pledges and donations, **I am still seeking donations for these improvements.**

Our youngest committee person of ITA, Parth Cahuhan has helped to bring ITA on facebook, social media. He also developed an e-Newsletter to summarize ITA and other community events.

Listening to some of our accomplishments, please don't rest on your laurels. Much needs to be done. So let me share with you my vision going forward. In 2011, two adhoc committees were formed, one for relocation, another for expansion of our existing mandir. Both of these committees decided and set the strategic direction, to build a new mandir adjacent to India Cultural Center, ICC. In early 2013, you will recall there was an election to purchase the land next to ICC. Ballots were sent, the majority voted in favor, however, we did not have enough *members* to cast a vote. By our constitution we needed 2/3 of the total eligible members to vote in favor. We did not have enough participation from our *members*. Going back to the two adhoc committees, work for the relocation committee continues. They will continue to look for parcels of land. In fact, I have been told that there is a parcel of land next to ICC that may become available soon.

Last month, **a proposal was circulated via email which was duly signed by 25 family members of the General Body, to expand the parking lot of this mandir.** The proposal is to buy the house behind the mandir, use some of that land to access the land locked tract of land which will be converted to a parking lot and renovate that house to be a twin house. It will increase the parking space by 34 spaces. Currently, we have 16 spaces and it will increase it to 50 spaces. The price tag is \$250,000- \$300,000. This will spend a third of our treasury. This proposal does not address the worship hall size, nor add an elevator, nor expand the kitchen. The house will be renovated to provide housing for two priest families. This proposal's main crux is to increase parking.

We also received a **signed petition with 70 signatures requesting that community requirements will be met in the near future and urge not to spend ITA treasury unless future roadmap has been created to address vision of all requirements as listed below:** Minimum requirements: prayer hall must accommodate double existing capacity, adequate parking space within close distance including senior/disabled to provide parking close to entrance, social hall must accommodate double existing capacity, easy accessibility to prayer hall, alternate to stairs, larger kitchen, increase bathroom capacity. Additional requirements were as follows: adequate space for outside events such as Yagna, Pran Pratishtha, Holi, etc, activity space to engage children, provide self sufficient environment to support daily operation.

I would like all of you to know that the Board is listening to all of you. We will keep you abreast of any and all developments.

Next in running our day to day operations, and to conduct pujas, celebrate festivals, we are always in short supply of you, our mandir sevaks. We are always in need of volunteers. So please be generous with your time. It is my vision to have a robust team to make the programs we have become more inclusive, better managed, well attended. If you would like to have a festival celebrated, send us a suggestion. If you have ideas on how it should be celebrated, send a suggestion. I would like to have a Volunteer Management committee, Event Management Committee. Our website is being revamped. I would like to automate our membership registration, renewal system. There is a treasure trove of talent in our community. Age doesn't matter. In fact, our youngest member of our community, a fresh college graduate, is a member of our Public Relations Committee. We need all of you to come and donate your time. Be a part of your mandir and make the good things better!

Lastly, I would urge all to make regular donations to the mandir, be it for a festival, your own special day, or to say thank you. Set a date on your calendar. Donate using our secure website, we use paypal for transactions, or simply write a check and mail it or drop it in the hundi in our worship hall.

Lastly, I thank all our sevaks, all our donors, and all our seekers to continue to support our mandir and propagate our faith for the next generation.

Jai Shri Krishna!
